

SIM LIBERIA

CHIEF MEDICAL OFFICER NEEDED!

ELWA HOSPITAL

As an 85-bed full-service hospital, the purpose of ELWA Hospital is to glorify God by providing quality healthcare, proclaiming the good news of salvation in Jesus Christ, and training and discipling future healthcare leaders of Liberia.

RESPONSIBILITIES:

- Provide overall strategic and operational leadership for patient care.
- Build a culture of mutual respect, teamwork, collaboration, integration of services, and service excellence.
- Ensure that the priorities of quality medical care, Christian witness, staff discipleship, and on-site training of medical personnel are at the forefront of every significant hospital decision, policy, and program.

QUALIFICATIONS:

- Has an advanced degree in medicine or surgery (M.D., MBBS).
- Has a minimum of five years of leadership experience in a healthcare organization.
- Committed to sharing the gospel where Christ is least known.
